FOR IMMEDIATE RELEASE

Summer Slam on San Bernardino Freeway (I-10) Multiple 55-Hour Weekend Closures Scheduled

Ten 55-hour lane closures to take place along I-10 in the San Gabriel Valley

ALHAMBRA – The California Department of Transportation (Caltrans) will conduct ten 55-hour weekend lane closures on the San Bernardino Freeway (I-10) between Atlantic Boulevard and Rosemead Boulevard for bridge rehabilitation work. Along with the closure of the I-10 Metro Express Lanes, on- and off-ramps and local streets will also be closed. **The first 55-hour weekend closure will begin Friday, June 15 at 10 p.m. and continue through Monday, June 18 at 5 a.m.** Closures will include:

Friday, June 15 at 10 p.m. through Monday, June 18 at 5 a.m.

- Eastbound I-10 Express Lanes at Atlantic Boulevard
- Eastbound I-10 Atlantic Boulevard North on- and off-ramps
- Westbound I-10 Atlantic Boulevard South on- and off-ramps
- **Both** directions of Atlantic Boulevard between I-10 and Hellman Avenue

Although NOT a full freeway closure, **motorists should expect delays and are strongly advised to use alternate routes, avoid the area or use public transit.** Additionally, motorists can check traffic conditions before they leave by calling 511 or visiting the Caltrans Quickmap at quickmap.dot.ca.gov.

Once this \$9 million is completed in late 2018, the bridge improvements will reduce time required for maintenance and minimize the need for further lane closures.

Caltrans thanks you for patience and understanding during construction and reminds you to **“Be Work Zone Alert.”**
